

MACHINE FOR WASHING GOLD.

ALL PERSONS are hereby forewarned from using, making or vending a Machine in the above form, which is used for the purpose of washing and separating common particles of earth from the more valuable particles of Gold, unless authorised by the original framer of said Machine, or some legally appointed Agent, as a Patent Right has been secured.

All persons are informed that I have been appointed Agent for the Patentee, in the northern part of Georgia, and will dispose of the right to use said Machine, for the low price of six dollars to each applicant. The Subscriber may be found at Gainesville in the county of Hall.

ROBERT BURNS.
