

*More Arrests.*—A few days since a Mr. Dennis, and a Reverend gentleman by the name of Trott, a circuit preacher of the Tennessee Methodist Conference, were arrested in the Cherokee Nation by Col. Sanford, and brought before a Magistrate at Gwinnett, for refusing to comply with the necessary oath. The latter was bound over for his appearance at the next term of the Gwinnett Superior Court—the former, for want of bail, was suffered to depart on giving his individual bond for his appearance at said Court.
