

*Monday, October 7th.*

At ten o'clock this morning, the members elect of each branch of the Legislature convened at the State House, and handed in their credentials to their respective secretaries. There was a very full attendance, only one or two members being absent.

In the Senate, Mr. Anderson of Franklin was called to the Chair. The oath of office was administered by Judge Clayton. The members being all qualified, they proceeded to the election of a President. On counting out the ballots, the vote stood: for Thomas Stocks of Green, 38; for Thomas Wooten of Wilkes, 37. So Major Stocks the former President was re-elected.— On balloting for Secretary, the vote was: for John A. Cuthbert, the former secretary, 38; for Iverson L. Harris, 39—(and one Trouper absent.) So it appears the Troupers have a majority of about 2 in the Senate. Henry Darnell is re-elected messenger; and Rueben E. Brown door keeper of the Senate.
