

*Candidates for Congress.*—We have the pleasure of stating, that Judge Schley, of Richmoud, at the earnest solicitations of his friends, and those of Governor Lumpkin, assembled in Milledgeville, from every section of the State, has consented to become a candidate to supply the vacancy in Congress occasioned by the resignation of the Hon. WILSON LUMPKIN. And we doubt not, from his extensive and well deserved popularity and the strong manifestations in favor of the nomination that he will be elected by a very large majority.—Judge CLAYTON has been nominated in opposition to him, by the Crawford party, and that, too, immediately after he (Judge Clayton) had been caucussed down and defeated by that party, in the election for Judge of the Western Circuit; and after voluntarily and gratuitously pledging his support to Judge Schley, if he would consent to become a candidate, and declaring that he himself, would not become a candidate, nor consent to be used by his party in that way, *he has accepted the nomination!!!*—*Augusta Chronicle, November 16.*
