

HUZZA FOR WARREN!—The citizens of this old and truly republican county, “have met the enemy and they are ours!” Agreeably to previous notice, calling upon the citizens to meet at Warrenton, for the purpose of forming a “State Rights,” alias “nullification,” alias “Rightful Remedy Association,” a large number of them convened on the 11th inst. for the purpose of taking the matter into consideration. Mr. Chandler offered resolutions declaring such an association expedient and necessary, appointing committees, &c. When Dennis L. Ryan, Esq. offered a substitute denouncing such associations as dangerous to the liberties and happiness of the people, and calling upon the people to counteract, by all lawful means, their baneful tendency when established.

On these resolutions an animated debate ensued. Mr. Jno. G. Winter then offered the following as a substitute for both, which was carried by a majority of nearly 3 to one! Alas, poor Yorick!

“*Resolved*, That it is deemed inexpedient, and dangerous to the peace of the good citizens of this county, to form any political Association.”
