It will be seen by the above, that a meeting will be held in the Baptist Church in this place, on Saturday the 5th of April next, at 10 o'clock P. M. by the friends of the Union, constitution and laws, for the purpose of opposing the ruinous doctrine of nullification in all its wily devices and devious doublings. The gentlemen whose names are annexed to the notice, were appointed at a meeting of a respectable number of the friends of the Union in this place, as a committee to call a future meeting, and present resolutions, &c. for consideration.

We call upon the friends of a well regulated government, whether Clark union men or Troup union men, to attend the meeting—to rally around the “Star spangled Banner,” and on that day declare to their fellow citizens and the world that it shall still wave “*O'er the land of the free and the home of the brave;*” And that on the UNION OF THE STATES depends, not only the RIGHTS OF THE STATES, but all other rights that are dear to freemen.
