*Louisville, March 12, 1806.*

It is with regret the Commander in chief has to announce, to the Officers of the different Corps of the militia of this State, the death of Brigadier General M:Intosh—his militia services during our revolutionary war and his patriotism are well known to his country—as just tribute to his memory the Officers of the different grades of militia will wear a crape round the left arm for one month, to commence on the first day of April next.

*By Order of the Commander in Chief.*

**GEO: R. CLAYTON, Sec'y.**
