GEORGE R. CLAYTON, Treasurer.

A View of the Debt of the State of Georgia.

Audited Certificates.

Taken in and renewed in conformity to
an act of the General Assembly, passed the
2d February, 1798.--numbered from 1 to
984. See Comptroller General's Office, &
amounting to 266,748 16½

Governor's Warrants.

Outstanding to the end of the Political
year 1807, 92,534 43

NOTE--There is D. 29,473 46½ of
Governor's Warrants in the Yazoo Deposits.

President's & Speaker's Warrants.

Issued and not paid at the time for want
of money in the Treasury. There seems to
be no increase or diminution in the Item of
the State Debt, since the end of the politi-
cal year 1803, which then was

13,731 31 1-2

NOTE--There are of President's and
Speaker's Warrants in Yazoo Deposits, Dol-
lars 9,051 23. This makes so much of the
above amount.

Paper Medium.

Issued on the faith of the late Tallassee,
now Wayne county, which was pledged
for its redemption. See Digest page 380.
This is now receivable at par at the treasury
office in payment of Grants and Testimo-
nials outstanding to the end of the political
year 1807, 119,573 87 3-4

State Emission by Frye.

Emitted in the way of change, 424 50

**President of Convention's
Warrants**

This is in the Yazoo Deposit 68 00

Gratuitous Certificates.

This Item seems to be of a description that
presents strong circumstances of suspicion;
let the committee only take a survey of the
tattered cheque evidence of the issuing of
this species of obligatory paper now in the
Secretary of State's Office, and they will
discover that the amount issued does not
agree with the resolution of the General As-
sembly, passed 18 May, 1782, giving a
gratuity of 100 guineas to the officers of the
Georgia Continental Line, 22,337 77

Funded Certificates.

Being such part of audited certificates as
were brought in and funded, bearing interest
according to law, say 7 per cent. This
Item became due for actual supplies, and
principally in the years 1784 & 1785. See
Digest, pages, 92, 183 and 184,

166,547 94

Interest from 1786 to 1807, inclusive,

251,523 02

Dollars, 825,439 01 8-4

State Troop Bounties.

Renewed in the Comptroller-General's
Office, according to an act of the General
Assembly, passed 2d February, 1798. For
the validity of this debt, see Digest, pages
261, 263, and 264. Amount renewed,
384 270 acres of land.

The Comptroller-General respectfully sub-
mits the foregoing view of the State Debt,
to Felix H. Gilbert, Esq. Chairman of a
Committee appointed to make provision
therefor. As also to examine the respective
merits of the same.

ELEAZER EARLY,

Comptroller-General.
