

Georgia Legislature.—In Senate on the 29th ult. Mr. Gamble made a report, accompanied by a resolution declaring it impolitic, under present circumstances, for Georgia to attempt to procure a full and entire ratification of the convention with S. Carolina, respecting the navigation of the Savannah and Tugalo river; which was read and agreed to. The following communication was received from the Governor, and ordered to be printed:

The Planters Bank Stock, which has been worth 140 for 80 paid in, is now estimated to be worth from 60 to 65.
