

CONVENTION.

At a convention of the members of the Legislature belonging to the Republican party of this State, held for the purpose of nominating a candidate, to fill the honorable Wilson Lumpkin's vacancy in Congress, it was considered that the people have a right to the services of every man in such stations as their ability is best suited to fill, and where they are able to promote the good of our common country; that the true principles of patriotism will not permit men to select such service as will advance their individual interest, but that if actuated by a disinterested love of country, they are willing to go where ever the common interest calls. Under the force of these truths, and believing that *Augustin S. Clayton, Esq.* fully acquiesces in their justness, and cannot refuse to obey the call of his fellow citizens, the said convention have nominated him to fill said vacancy, and do therefore present him to the good people of Georgia for their suffrage.

AUGUSTIN S. CLAYTON, Esq. of Clarke county, is a candidate for a seat in Congress, to fill the vacancy of **Wilson Lumpkin.**
