

**M**R. Emanuel Wamberge having placed in my hands, previous to his departure for Europe, all his papers relative to transactions in this and the state of South-Carolina, during his residence here, I do request those to whom he is indebted to exhibit to me, in Augusta, vouchers to establish their claims so that a speedy adjustment may take place; and those indebted to him are earnestly requested to make payment before the first day of November next, otherwise legal methods will be taken to compel them so to do.

THOMAS P. CARNES, *Attorney at Law.*
